

Death of a Former Sanborn Lady.

The people of Sanborn will be pained to learn of the death of Mrs. C. H. Jones, which occurred at the Northwestern Hospital, Minneapolis, the 27th of June, during an operation for kidney trouble. She was buried beside her mother at Belview, Minn., June 29th. Mr. Jones, who was formerly cashier of the First State Bank of this place, is now in Claremont, Minn., where he is getting a new bank in running order. His daughter, Maudie, is with him. They have our sincere sympathy in their terrible bereavement.
