Hon. E. H. Wright, of Valley City, and Rev. Derick, of McHenry, addressed a large audience of Barnes county voters at Dazey last Friday evening. Although it was raining and very muddy, the hall was crowded and standing room was at a premium. Practically every man in town was present and a large number of ladies. A notable feature was the large number of laboring men present, threshing crews from nearby machines. Mr. Wright's speech created a most favorable impression. He spoke on the national issues of the day. Rev. Derick held the attention of his audience wonderfully. He paid President Roosevelt, whom he knew personally, a very eloquent and earnest tribute, saying "to see him is to like him, to know him is to love him."

There was an informal reception at Fraternity hall Monday evening given for Dr. Spicer and family, who left Wednesday for their future home in Wisconsin. Mr. Gallegly made the presentation speech and bade the doctor and his family God speed, to which Dr. Spicer responded with feeling. Among those present were Mr. and Mrs. Spicer, Mr. and Mrs. Prydz, Mr. and Mrs. R. E. Lee, Mr. and Mrs. Wm. Stewart, Mr. and Mrs. Anderson, Mr. and Mrs. Conger; Mesdames Hamlin, Duff, Stover, Geo.
