

## DEATH OF JOHN HOOD.

John Hood, a well known farmer who resided about three miles south of Rogers, died of Bright's disease last Thursday. Mr. Hood was a native of Yorkshire, England, and was about 45 years of age. He came to this county about twenty years ago and for several years was employed by A. A. Booth on his farm. Later he secured employment with Frank Sanford and for ten years was foreman on the latter's farm. He has been farming on his own account for the past three years. He was married in 1894 to Miss Mary Barnes, who survives him. Mr. Hood was an active, energetic and progressive citizen. He was a man of the strictest integrity and his death is deplored by all who knew him. The funeral was held Sunday and the interment was in the Sanborn cemetery.
