## MARRIED.

A quiet little wedding occurred Sunday afternoon in this city, when Schuyler P. Southwick and Margaret M. McIntyre, in the presence of a few friends, were united by Judge Ingram J. Moe in the holy bonds of marriage. The wedding took place at the home of the bride and after receiving the hearty congratulations of the assembled guests the party were seated at a bountifully laden table and all went merry as a wedding dinner should. The bride has been a resident of Barnes county since childhood and the groom, though a native of Iowa, has spent the past two years in and near Valley City, where he has made many friends. Mr. and Mrs. Southwick will make their future home on the farm of Mrs. McIntyre, which they have rented for a term of years. May prosperity and happiness attend them.
