

Notice to Rural Route Patrons

Next Thursday, November 16, service will commence on the newly established rural free delivery route No. 1 from Sutton, with Frank F. Brown as regular carrier. Mr. Brown is now carrier on route No. 2 from Courtenay and inasmuch as half of the Sutton route comprises patrons transferred from the Courtenay route it was considered expedient by the department to appoint him regular carrier from Sutton.

While the schedule for leaving is 8:00 a. m., the postmaster has written in to have the schedule changed so the current day's mail can be taken out.

All patrons who have boxes that must be moved to another point should do so at once. By consulting the plan of the route as given below you can easily determine the most convenient place to locate it.

All who have not secured boxes should make arrangements to get them at once. Approved boxes may be ordered from Hammer-Thingelstad Co. for \$1.25 each, plus freight or express, provided several orders are received. In the meantime temporary boxes could be put up, but must not be allowed to remain permanently.
