

Mr. and Mrs. Henry Lowe had the great misfortune to lose their six months old baby Sunday morning. The child took sick Saturday with an attack of summer flu and grew worse so rapidly that the parents took it to Mrs. Lowe's parents at Juanita, and later to a hospital at Carrington where it passed away almost at once. The body was brought to Sutton Monday and funeral services were held at the Methodist church at three o'clock, Rev. Lunde from Cooperstown conducting it. Music was provided by Misses Laura Bailey and Myrtle Olson, the latter in song and the former accompanying her at the piano.
