

Mrs. John Urban Dies Suddenly

**Stricken By Appoplexy in
a Fargo Hotel Wed. Night**

The sad news reached Sutton relatives Wednesday night from Fargo that Mrs. J. N. Urban was dead. She had been in the city several days receiving treatment for an old malady, high blood pressure. About nine o'clock she and Mr. Urban were preparing to leave the hotel where they were stopping when she was stricken with appoplexy.

The body will be brought to Sutton and the funeral held Saturday, probably.
