### Boy Married

Irvin Ebentier, son of John Ebentier, was married in Wisconsin last week. He will be remembered as a small boy when the family moved from here in 1917. Mr. Ebentier is manager of a canning factory near La Crosse Wisconsin.

The following account of the wedding is taken from a Mayville Wis. paper: "Miss Louise Hollensteen became the bride of Erwin Ebentier in services at 6:30 o'clock Sunday morning at St. Mary's Catholic church. The Rev. Fr. Kramer officiated.

The bride is a graduate of the Mayville high school. Following her graduation she taught in country schools of the vicinity for several years. The groom is a son of John Ebentier and has a position in a canning factory at Holmen. He is also a graduate of the local high school and was one of the best athletes graduated from the Mayville schools.

Following a wedding breakfast Mr. and Mrs. Ebentier left for Onalaska Wisconsin which will be their future home."
