

Amundson-Werner

The news was received here Wednesday to the effect that Miss Agnes Amundson and Wm. Werner, two of our former citizens, were married in Minneapolis Tuesday. This was not altogether a surprise to Sutton folks, but created the usual interest in such events just the same.

After a two weeks honeymoon the couple will take up their abode at Rosholt South Dakota where the groom is manager of a Crane-Johnson lumber yard.

Both Mr. and Mrs. Werner were very popular with our people, and many will be the wishes for a happy career.
