

Joe Ebentier

Sells Store

A deal was consummated this week between Joe Ebentier and Wm. J. Bolduc, the latter from New Rockford, whereby the merchandise stock becomes the property of Mr. Bolduc. He has taken possession and is preparing to do a general job of renovating, repairing and painting, before adding a large new line of goods.

Mr. Bolduc is an old hand at the game, having twenty years experience at general merchandising. He is well pleased with the prospects here and will, we believe, do better in Sutton than in the great majority of small towns of North Dakota, despite the bugaboo of chain stores and gravelled highways.

He expects to move his family here about the first of May.

Miss Mabel Olson, who has been in the store the past eleven years, will continue under this management.
