

Casselton Reporter—Last Friday Mr. Axberg, the aeronaut, whose failure to be here on the 4th of July was so seriously felt, gave evidence locally that he was a flier of experience and skill. He arrived in his aeroplane about noon, bringing with him from Buffalo W. E. Stegmeir, of the Northwestern Farmers Co-operative Dairy and Produce Co., making the 17 miles in 12 minutes. Mr. Axberg was here all the afternoon and again Saturday afternoon. Quite a number of residents took trips into the air with him and the citizens of Casselton were watching the airship as it flew above town.
