

There is much moving in store for some of our townspeople soon. C. L. Anderson has sold his house now occupied by P. J. Davidson's to Mr. Olson of Revere, who is to be the manager of the new St. Anthony and Dakota elevator here. C. W. Fallen's plan on moving to the house recently vacated by E. M. Fadness, and Davidson's expect to move where Fallen's lived. Mrs. M. J. Thompson and children will move to town and live in their property now occupied by Wm. Sutton's, while the latter will probably move to Frank Albrecht's place as he intends to farm next year.
