

The Calgary Black Sox baseball team played a double header in Sutton with the home team Wednesday, both games being well attended in spite of the roads which were heavy from the rain the night before. These athletes of color gave ample evidence in their preliminary practice that they were all there when it came to playing, although they made no great effort to exert themselves in either game. The gate receipts were \$250 of which the home team retained 40 per cent, thus adding a nice sum to that realized from the Sunday double header games. The Black Sox went from here to Minot.
