

Dr. Lewis to Leave Sutton

Dr. and Mrs. T. H. Lewis were in Fargo the first of the week and made arrangements to move to that city in a few days where the former will be located for the general practice of medicine. Thus, for the second time in its history, Sutton will be left without a doctor, for a time at least.

Dr. Lewis has been very successful in his medical practice during the years he has been in Sutton, and our people will feel a genuine regret at his leaving.

We are informed he will have his office on Broadway, over Black's store.
