
Passed Away

Word reached here last week of the death of Mrs. Albert Hellmund, who died in a hospital at LaCrosse, Wis., death being due to cancer of the liver and gall stones.

She is well known here, having up to a few years ago resided in Courtenay, Mr. Hellmund being in the meat business. They left here for Reedsville, Wis., but lately have been holding down a claim in Montana. She was taken sick on the claim, and owing to the seriousness of her case she was taken to the hospital at LaCrosse where she died.

She left three children, one girl and two boys. Burial took place at her old home in Reedsville. She was a sister-in-law of Mrs. John Posey of this place.
