

ATTENDED FUNERAL—

Mrs. Geo. Laing went to Wimbledon Saturday, where she attended the funeral of Mrs. Owens, who was burned to death at that place last week.

Mrs. Laing was well acquainted with Mrs. Owens, they having been neighbors at one time at Dazey, N. D. Mr. Owens was 74 years of age and the mother of 11 children, all living, and all except one, who is some were in Canada, attended the funeral.

There were several eye witnesses to the accident, who say it was a most pitiful sight and all was ~~done~~ that could possible be done to relieve the old lady of her sufferings. The cause of the explosion is not known, and will in all probability, never be known.
