

Suffering Ended By Death

WIFE AND MOTHER CLOSES HER
EYES IN SLEEP. BURIED AT
HER OLD HOME.

Word was received here Monday to the effect that Mrs. Wm. Penn died at the home of her mother at Osakis, Minn., Sunday evening at 11 o'clock, after a lingering illness with tuberculosis.

She took ill during the summer with a severe cold and gradually grew worse, until about six weeks ago it was seen that she was not long for this world and arrangements were made for the journey to the home of her mother, where she could be able to receive the best of care. At times she would show signs of improvement, but the dread disease had gained its hold, and after a hard battle she was forced to yield to the disease.

Mrs. Penn was a hard working woman, a good wife and a loving mother, and will be greatly missed by the remaining ones. She leaves to mourn her loss a husband and four children, two boys, age 3 and 8 years, and two girls, age 5 and 11 years.

One sister, Mrs. Irvin, and a half sister, Mrs. Elmer Woodworth, are the only relatives residing here. Mrs. Irvin and Mrs. Woodworth left Monday to attend the funeral, which was held Wednesday, burial being in the cemetery at Osakis.
