

In our last week's issue we neglected to announce the marriage of a well known young lady of this place, Miss Alice Posey to Alfred Erlandson, a prosperous young farmer of near Sutton, N. D. The young people went to Jamestown, accompanied by Miss Posey's parents, and were married on the 9th of this month. They have not decided definitely just where they will locate. It may be possible that they will settle on land somewhere in the west. The Gazette extends congratulations.
