SAW MANY INTERESTING SIGHTS
AT HER OLD HOME. ATTEND-
ED WEDDING ANNIVERSARY

Mrs. Charles Reick, wife of Chas. Reick, one of the large land owners south of Courtenay, arrived at Jamestown Tuesday, after a three months trip to her old home in Frankfort-on-the-Main, Germany, and reports that a most pleasant voyage was her experience. Mrs. Reick, with Mr. and Mrs. Frederick Hildmann and their daughter, Edna, of Oak Park, Ill., made the return trip on the German-American line steamship, Imperator, which she describes as the largest and most magnificent ship in the world.

The main object of Mrs Reick's trip abroad was to attend the golden wedding anniversary of her parents. Ten sisters and brothers attended, coming from all points of the globe. The anniversary occurred on May 15th, and was a most enjoyable and elaborate affair.

Mrs. Reick was met at Jamestown by her husband. She found nearly as great growth and improvement at her old home in Germany as has occurred at the new home in Stutsman county.
