

SCHOOL BOARD MET—

The school board held a special meeting last Saturday night at which all members were present. It was decided at this meeting to hire a music and drawing teacher for the ensuing year. There were several applications sent to the board for consideration, and after debating over the same a Miss Dowd, from Valley City was given first privilege, and the clerk was instructed to notify her to that effect. The same teachers who have been teaching here this term will again return, with the exception of Miss Suedley and Miss Wheelan, both of whom expect to take up school work at other points. That Courtenay will, in all probability become a second grade school the coming year, as all requirements for such a school have been complied with by the school board.
