

School Notes

The Courtenay High School Basketball Team will begin work about December 1. At least ten boys will fight for places on the first team. At present, it looks as if two of last year's players will be on the team again. Bill Bouer's serious accident may prevent him from playing. New material is constantly coming in, and a few, promising lads have entered school during the past few weeks.

Last Friday, Miss Robinson's room enjoyed the quarter holiday, awarded to the cleanest room in the building.

The High School expects to take up some form of literary work very soon.

Two new pupils enrolled in Miss Marsh's room on Monday. As the room was already full, it was necessary to remove seats from Miss Haynes' room to accommodate the new pupils.

Friday evening, Oct. 16, the Sakajawea Camp Fire Girls entertained the entire High School at a party held in the Fire Hall. The evening was spent in playing games. Misses Haynes, Marsh, Dodd, and Hazel Beach chaperoned the young people.

Belle Olson enrolled as a High School student last Wednesday. We are very glad to see her with us again.

The teachers of the Courtenay schools left Wednesday morning for Bismarck where they will attend the meeting of the N. D. E. A. As a result, the pupils are enjoying a holiday.

Rev. Copeland was a visitor Tuesday morning and gave a very practical talk at opening exercises. He remained to visit some of the rooms, staying till nearly noon. A few ladies from town have visited us this fall. We welcome all such visitors.
