

# Election Held Tuesday

NEW TOWN BOARD. MARSHALL  
AND TREASURER ARE  
RE-ELECTED

Tuesday was election day for the village and townships, and a good vote was polled. It proved to be rather a tame affair as there did not seem to be anyone who cared to stir up excitement.

The only probable office that was liable to have a scrap on was that of marshal, but when the votes were counted it proved that Tom Stringer was badly wanted by the people, he getting better than two to one over his opponent. Mr. Lilley, who was on the ticket against Mr. Stringer, had previously stated that he would not accept the office for he was sure that it was being conducted in a satisfactory manner, and he did not have the time to devote to it.

The town board will consist of all new members, namely, Hans Strandness, Jacob Isley and A. A. Hoffman, all capable and well liked gentlemen, who, without a question, will give the village good service.

Joe Nelson was elected to serve as clerk. Will Holton, was made justice of the peace. George Bouer will be our assessor. F. G. Lundeen continues as treasurer.
