John F. Wiechmann was born in Chicago, Ill., December, 17th, 1889. He came to Dakota with his parents in 1901, having made his home near Courtenay, where the family resided until last December, when they moved to Miles City, Mont.

He leaves his parents, Mr. and Mrs. William Wiechmann, two brothers and two sisters to mourn his loss, all residing in Miles City. Many were the beautiful floral offerings from Courtenay, Jamestown, and Miles City.
