

Has Resigned

T. C. Hartho, who has been agent at this point for the line for the past year, has resigned his position.

He will leave the latter part of the week for a visit at his home in Michigan, returning here the first of the year.

Mr. Hartho has been considered a very good man in the service and through him the depot has been put in good condition, and now is as good as new along the line.

He gives up railroad life at the present at least, and on January 1, he will start in to acquaint himself with the bank business, locating at Clementsville, this county.

Mr. Hartho has had enough experience in the banking business to prove a valuable man for a bank at Clementsville, and his friends here are glad to see him get into something that will give him better chances for promotion.
