

News from Jim Lake

Roadwork is the order of the day in this section at present and some excellent work is under way here which was much needed.

Everyone is jubilant and smiling on account of the crop outlook since the recent good rains.

Many from our neighborhood attended market day at Courtenay and each and everyone expressed themselves as having a fine time.

Courtenay did herself proud on market day and the people of that city are to be congratulated upon the manner in which they handled the large crowd, and also for the royal way in which they entertained them. One of the best features of the day was the rest room provided by the ladies for the benefit of the ladies and children. The people of near Jim Lake speak in the highest terms of the treatment they received, and we will always feel welcomed in Courtenay.

Misses Audrey and Aline Wood took the train from Courtenay on Sunday evening for Stewartville, Minn., where they will spend their vacation with their grandparents. They will also visit with relatives at Chatfield, Minn.
