Our local butcher, T. J. Hecoeks has purchased a nifty looking team from Andrew Fluetsch. He has landed a number of sales for meat for the Midland railroad, which will keep him busy this summer.

The home of Mr. and Mrs. Martin Benson, located just south of here was broken into last Saturday afternoon. Nothing was missed outside some eatables. The parties were captured at the table by Mrs. Benson and Mrs. Myron Sisson. Names withheld this time.

A prairie fire, which was started by J. E. Wynes south of town to burn some stubble, got away from his control and started off across the country, burning up his hay and also that of Chas. Eastman. It burned for almost three hours covering about four sections of land. This is the third prairie fire occurring in this section of this country in the past two years, and it is high time that precautions should be taken when setting fire to stubble.
