PERHAPS you had a single dress.
If we could save you money would you consider it?

On most of the laces made in the past you have paid more for laces manufactured at Zion City, made laces from Nottingham with no duty added to the sale.

We are making a special week—and the many excellent laces—great saving on your lace purchases. We are not speaking of the worst laces, we are speaking of the finest Egyptian and Sea Island laces.

Value in a piece of lace, comes from its exquisite beauty of design, artistic merit and strength of fiber. Zion Laces have an individuality.

With the workers in the making is an art. The designs are found in Europe, their whole object is to creating artistic designs for the home.

The religious atmosphere, the community life and the light reflected in the distinctive "Coptic" style.
