

John Olson, who lives northwest of here, was in the city Tuesday. John is going to have an auction sale of his personal property on the 14th of this month, and intends to leave in a short time for the northern part of Montana, where he has taken up a homestead of 320 acres of land. He will be about 40 miles from the nearest market, but says the Soo and Great Northern have surveyed near his land and indications are that a road will be put through within a short time. We certainly mourn the loss of this family from our community but wish them good luck in their new home. Read his advertisement on another page of this issue.
