
Has Arrived

Dr. F. P. Rasmussen arrived in our city Tuesday evening from Kathryn, N. D., where he has been a leading* physician for the past eight years. The doctor purchased the practice and office equipment of Dr. Sansing and will practice here. He has rented the flat formerly occupied by Dr. Sansing, and expects to be settled in a short time. Mrs. Rasmussen and baby will arrive in a few days.

The Kathryn papers gives the doctor and his wife a good send off and states that the people there mourn the loss of such good citizens as the doctor and family. They will be gladly welcomed to our city.
