

## WILL LEAVE COURTENAY—

Mr. and Mrs. Shad Roe left Tuesday for a visit at his old home in York, Nebr. Upon their return they will pack their household effects and ship the same to Wayburn, Can., where Mr. Roe has accepted the management of the large lumber yard there owned by the Rogers Lumber company, and which is the largest and best yard owned by this large lumber firm.

Mr. Roe came here from Donnybrook about a year ago and took charge of the yard here and has increased the business during that time considerable. He and his wife made many warm friends in Courtenay and vicinity and it is with much regret that their departure from among us is noted, but they will take with them the best of wishes in their new home.

E. M. Gentry arrived Monday evening and has taken charge of the yard here. Mr. Gentry has been spending some time in the vicinity of Weyburn, Can., looking after farm interest. He was formerly located at Woodstock and Elizabeth, Minn., as manager of the Porter company lumber yards and is an experienced lumber man. Mr. Gentry has shipped his household goods and as soon as they arrive and he gets them located in a house Mrs. Gentry and two children will arrive to take up their residence in this city.
