Fred Dunwell, Editor

Frank Hesch of Eckleson was a caller here on Sunday last.

J. N. Johnson was a Jamestown caller on Friday of last week.

Chas. Diesen began plowing with his Big Four engine on Tuesday of last week.

Peter Schmitt recently purchased a J. I. Case triple gang plow of Anton Fried & Son of this berg.

Mr. and Mrs. I. Bruce left on Wednesday for Jamestown, where it is expected they will purchase a home and reside.

Geo. Dunwell is farming on a little scale and now is erecting a chicken house on his acre at the east edge of this berg.

The little daughter of Robert Schwehr and wife, was taken to Fargo not long ago and was operated on for an abscess, which had formed back of the head. At this writing she is getting along as well as could be expected and we expect to see her home soon.

Services were held at the M. E. church at this berg on Sunday last and a large crowd attended. Mr. Herbig delivered a very forcible sermon and all were well pleased with his discourse. There will be services here again two weeks from last Sunday, if nothing happens to change the plans.

Fred O. Fried was a Sanborn caller on Monday morning of last week.

G. E. Dunwell was at Jamestown and had some dental work done recently.

Rev. and Mrs. Herbig were callers at the Byron Sisson home on Tuesday last.

Adolph Fried of Fried post office was a caller here on business on Monday last.

Frank Hesch of Eckleson was up at this berg recently and purchased a J. I. Case engine.

Chas. Scouten of Eckleson, called here last week and purchased a set of harness at this place.

Mr. and Mrs. Myron Sisson visited at the home of Rev. and Mrs. Herbig a little while on Sunday last.

A representative of the Capital of Jamestown was a caller here on business on Saturday last.

Mr. and Mrs. Peter Knudson and children of Eckleson, were visitors at the home of Mrs. Knudson's parents, Mr. and Mrs. E. J. Clamp over the Sabbath.

Thos. Davis, Sr., has purchased a little 1-horse Power Stover gasoline engine and will use it to pump water and otherwise lift the burden of farming off the shoulders of the men and boys.

C. I. Bruce was a Jamestown caller the first part of the week.

Max Rick and wife were Jamestown callers on Monday last.

Frank Hesch of Eckleson has purchased an 8-horse engine gang.

On Wednesday last, Rev. Tullis, who is working for the interest of the M. E. campmeeting at Jamestown spoke to quite a large crowd at this berg. His talk was well liked and we bespeak for him success.

N. P. Jensen returned a short time ago from Denmark where he went for a vacation. We are glad to see him back again in these parts, although we might say in connection that we expect that he will return again soon as we surmise that there is something over there that is an attraction for him.

While driving into town on Tuesday evening last, Ludvig Vanrick had the misfortune to become stuck in the mud, and almost in the city limits. He was compelled to purchase a new set of shafts to go home with. This is an unusual thing to happen almost right in town and we suggest that the town board make it a point this year to fix up this place so that it might be passable in the spring time and not confine all the work to one place as was done last year.

E. J. Hayes of Urbana, also Bud Sayre and J. E. Pirnie, were visitors here on business one day last week.

J. F. Lueck of Jamestown came out from that place on Monday morning and drove to his farm north of town to visit his children, who are running it. He says that Clinton, who broke his leg last winter, is getting along as well as could be expected and will soon be able to get out on crutches again.

A. P. Paulson of Valley City, was a caller here on business last Wednesday. He has purchased quite a lot of new work horses and intends running a very large farm this year. He has a section northwest of town, one north of Wimbledon, and one near the H. S. Sherman farm south of town and some more further southeast. He has purchased a lot of large machinery and harnesses and will show Stutsman county farmers how to farm on a large scale.

### Kensal News Items

Mr. and Mrs. A. J. Gorthy of Courtenay were guests in town last Thursday.

### The Paint That Lasts

is the cheapest paint to buy, the cheapest paint to put on, and the cheapest paint to keep in good condition. It lasts longest because it is ground in PURE LINSSEED OIL. It makes no difference what paint is made of, if it isn't mixed in PURE LINSSEED OIL it WON'T LAST.

## Minnesota Paints

are mixed and ground in PURE LINSSEED OIL of their own manufacture. Most paint grinders buy their oil—they make theirs from selected Northwestern flaxseed—the best in the world—in their own mills and it never leaves their buildings until it is mixed in Minnesota Paints. The other things in our paints are PURE White Lead, PURE Oxide of Zinc, PURE Tinting Colors and driers. Use them once and you'll never use any other kind.

**For 40 Years "The Best Paints Made"**  
Put up in full Government Measure cans—look better, cover more surface and last longer than any other paint.
