Traveling men who make this town say that business had never been better than at the present time in all kinds of trade. The large crops account for this.

Reports are out that Urbana will have a new elevator, bank and store, but we do not know if this is any authority. It would indeed be a good thing to build up that little berg in the western part of Barnes county.

O. I. Bruce, who moved up from Iowa, last spring and who farmed a half section of land on section 13-139-61, has sold out his personal property to a man from near Fingal and intends to return to the old state of Iowa again.

"Old Dexter" the favorite old beast that has done many a days work for H. F. Hobert and family of this place, cashed in his checks on Monday night. He was 27 years old and had been raised by the Hobert family, in whose possession he has remained ever since.

Theo Price has purchased what was formerly known as No. 2, during the days of the Spiritwood farm and is building a couple of rooms on to it, for bed rooms. He has it about closed in at this writing and will soon have it completed. When this work is completed he will have a neat little home to live in.

BASKET SOCIAL—

The basket social and entertainment given by the school children of this place on Saturday evening, was largely attended. There was a good quantity of well filled baskets on hands and the bidding was brisk from the start to the finish. Something like \$60 was realized by the school which will be used for the purpose of securing a new organ for the primary room, and also for the purchase of library books for the benefit of the children.

The most expensive basket, it is said proved to be worth \$5.50, and the party bidding it in, said, after he found what it contained, that he considered he got it for a cheap price.

The teachers are to be commended on their interest taken in this entertainment and social.

Wm. Squire is about laid up with the rheumatism these days.

Mr. McNulty with Lindsay Bros, of Minneapolis, called on his trade here on Friday last.

Our constable has had some work to do of late serving papers and the like. Business is brisk in all lines in this town.

C. I. Bruce left on Tuesday evening for Iowa, to stay for the winter. Mr. Bruce has sold his personal property south of town and will return again in the spring to build a house on his place.

A NEW STORE—

We are going to have a new store here by the looks of things. C. E. Creighton and crew have been busy for a week or more digging a basement for a large building that is expected to be built in the spring. We do not know what kind of a store will be built, but we are quite sure that if it is undertaken it will be no small affair and we predict that if a new store starts here that the business of the town will boom and that neither of the other stores will suffer through the addition of the extra store.

W. Brown is on a farm near Wimbledon belonging to Ralph Jarvis. He is intending to run this for him next year.

It is reported that Archie Hopkins has sold his personal property and will leave for the west for the winter. However, at this writing this report has not been confirmed.
