

LOOKING AFTER FARM—

William Wiechmann arrived from the west Saturday and is spending a few days here looking after his farm and attending to other business.

Mr. Wiechmann is favorably impressed with his new home which is located a short ways out from Rock Springs, Mont. His two daughters, his son and he himself have adjoining claims, and says that the land there is a No. 1, and from the way that the land is being taken, he believes that there will be no homesteads available in the state after this year. The sidings at Miles City are full of people with their cars of goods waiting for a chance to get land.
