

MORE WHITE SLAVERY—

Juvenile Officer Blake left Monday for McKenzie, called by a demand for an investigation into what is alleged to be a flagrant case of white slavery near Hazelton. Officer Blake Tuesday sent a lad named Albert Woods, 14 years of age, back to St. Cloud. The boy was left at Woodworth, sick and destitute, his father, charged with bootlegging, having skipped out. At New Rockford last week four children of the Simmons family were placed in the care of different families, their parents having deserted them and having separated. The county of Eddy bought their tickets to different parts of the state.

Mrs. Caldwell, wife of a former Courtenay doctor, has also received assistance and aid and a place found for her for the winter in the Price home at Spiritwood.—Jamestown Alert.
