

In this morning's mail, the editor received the following announcement: "Doctor and Mrs. William Oliver Butler announce the marriage of their daughter Ruth Eileen to Mr. Oscar Edward Groven, on Thursday, the twenty-eighth of December, nineteen hundred and twenty-two, Wilke, Saskatchewan." The bride in the above happy event is of course a stranger to Hannaford people, but the groom will be remembered by many as he spent his boyhood years in this village. He is the son of E. H. Groven, Hannaford's pioneer merchant, and about ten years ago left for Canada where he has been in the employ of a wholesale firm, and of late years has been making his home at Kerrobert, Sask. The Enterprise heartily joins with his many other friends in extending the sincerest good wishes and congratulations to this young couple.
