

Dazey School Notes

Miss Bernice Shearer and Miss Carrie Anderson visited the English IV class Wednesday afternoon.

The boys have organized their Basket Ball team and have elected Morris Olson as manager. Arrangements are being made for a schedule of games to be played with the neighboring teams.

Yes indeed, they're becoming. What are? Why the pig-tails and ribbons, of course. Every girl in High School has made a resolution to wear her hair down for at least two weeks. There are dark braids, light braids, thick ones and thin ones. Puffs, nets, wire entanglements and other impedimenta are gone! After all, unadorned beauty is the best.

The members of the U. S. History class listened to a very interesting debate last Friday morning given by some of the students. The question for debate was, "Resolved that protective tariff is beneficial to the U. S." The affirmative was supported by Josie Hanson, Beulah Glesner and Gordon Duff, while Audrey Bender, Henrietta Rasmussen and Evelyn McInnes upheld the negative. The judges decided in favor of the affirmative although both sides presented good argumentation.

The second six weeks' tests will be given the first part of the week, instead of the last on account of Thanksgiving vacation.

Some of the High School students were the guests of the pupils in the Grammar Grades last Thursday afternoon at the patriotic exercises in observance of Armistice Day. A very suitable program was given and was greatly enjoyed by all.

Elizabeth Ose enrolled in the High School last Monday. We welcome every new member even though we are somewhat crowded. We now have a total enrollment of forty-five.
