# Rogers Man to Minneapolis

Dazey Commercial: M. O. Grangaard left Sunday evening for Minneapolis where he went to accept the position as secretary of the board that passes on the loans which the government is planning on making to farmers in this Federal Reserve district.

The committee has already commenced to function and application blanks have been received from Washington. The appointment is for three years and Mr. Grangaard and family will doubtless move away from Rogers at an early date. For the present, however, Mr. Grangaard will spend a part of his time at Rogers closing up his affairs and looking after the interests of the bank.

The whole Rogers community is sorry to lose the Grangaard family from our midst but all join in wishing them an abundance of prosperity in their new field of labor.
