
Barn Destroyed by Fire Near

Rogers Last Friday Morning

Rogers Citizen: The barn at the E. T. James place was destroyed by fire last Friday morning about 8 o'clock. The origin of the fire is unknown. The men had gone out threshing as usual a couple of hours before the blaze was discovered. When the fire was first noticed it had gained such headway it was impossible to save the building. There was quite a quantity of hay in the barn, but we understand there was no livestock that burned.
