

G. K. Ness will leave Petersburg, N. D., tomorrow on a trip to Norway. Since leaving Hannaford about two years ago, Mr. Ness has acquired the ownership of two newspapers, the Petersburg Record and the Fordville Tri-County Sun. He leaves these publications in the hands of capable editors while away on the trip, and he expects to return to resume charge in the fall or winter. The trip is made chiefly to visit the old folks and the old home. The Enterprise expects to print some letters from Editor Ness telling of his impressions on the journey.
