Mr. and Mrs. Carl F. Werner motored to the Homer Carroll farm near Karnak Sunday for a short visit.

H. B. Blackey of Devils Lake made a business call at the Farmers Elevator here Friday.

Mr. and Mrs. O. A. Gilbertson, E. W. Everson and M. J. Mossing motored to Fargo Saturday. They returned Sunday evening.

T. J. Hagen motored to Grand Forks Saturday for an over-Sunday visit at his home there. He returned here Sunday evening.

Threshing is general in this community now and the reports of yield coming in indicate that the crop is not as good as previously figured. The wheat is going from 7 to 20 bushels per acre, the quality being only fair, most of it grading under number one.

A number of the Walum people attended Eldfjord's Ladies Aid meeting Friday at the home of Mr. and Mrs. Gilbert Heyerdahl.
