

Carl Werner wishes to state that in last week's issue there was a mistake made in regards to a party by the name of Chas. Christopherson making a visit at the Carl Werner homo. Mr. Werner wishes the people to know that Mr. Christopherson does not come to visit Mr. Werner. We will leave it to the people to guess who this party comes to visit. We believe that you all know. If there are any that do not know please write Mr. Werner, and he will gladly let you know.
