

Ruben Evert, the fourteen-year-old son of Mr. and Mrs. August Evert of Pillsbury, accidentally shot himself while playing with his brother. Mr. and Mrs. Evert had left the two boys, Ruben and Allen at home while they went to church where evangelistic meetings were in progress. Shortly after the meeting had begun Allen ran into the church, partly dressed, and said to his parents: "Ruben has shot himself" and as they hastened home they found it was fatal. Doctor was called but nothing could be done, death had come instantaneously. The funeral services, conducted by Rev. Caldwell, were held at the Presbyterian church Thursday at eleven o'clock and the body taken to Page for interment. Though it was a stormy day there was a good attendance at the funeral.
