

The dance given in the hall Friday evening drew a record breaking crowd.

Mrs. Sarah Stee arrived Saturday for a visit with Mrs. Chas. Nelson.

Threshing outfits are now nearing the end of their runs and by the end of the present week nearly all machines will be put away until next year's crop is ready.

E. W. Everson and E. O. Wallin were at Hannaford Saturday.

C. A. Nelson was at Cooperstown between trains Thursday.

Carl F. Werner is suffering from blood poison in his right arm.

Mrs. Gilbert Trangsrud and children came down from Cooperstown Friday to visit with relatives.

Benson-Dix Nuptials

Miss Eleanor Dix, a well known member of the staff of nurses at St. John's Hospital, Fargo, and Dr. R. D. Benson, of Hannaford, N. D. were married at 1:30 o'clock Tuesday, September 26, their wedding, which was a very pretty affair, taking place in the apartments of Mr. and Mrs. Lorne Wilde at the Gardner hotel. Rev. A. E. Peterson, pastor of the First Baptist church of Fargo, performed the ceremony, which took place in the presence of a dozen guests, including only intimate friends of the couple. At the appointed hour, Miss Irene Leimbacher, presiding at the piano, played the Bridal Chorus from Lohengrin, and also played softly throughout the ceremony.

The bride was becomingly attired in a handsome traveling suit of hunter's green broadcloth, with beaver trimmings, worn with a dainty blouse of cream-colored georgette crepe and a hat of green velvet and gold cloth. Her flowers were a corsage bouquet of bride roses and lilies-of-the-valley, tied with pale pink tulle.

Miss Mary Barron, of Fargo, attended Miss Dix, as bridesmaid, and wore a dainty gown of rose-colored pussy willow taffeta, with a corsage bouquet of roses, corresponding in color, and lilies-of-the-valley, tied with rose-colored tulle. Dr. Benson was attended by Roy Thorne, of Fargo, as best man. Little Glenn Howell of Fargo, acted as ringbearer, carrying the wedding ring in a lily.

The ceremony took place before a bower of asparagus ferns arranged in one corner of the room, the couple standing between two tall white baskets of Ophelia roses and ferns. The tall handles of these baskets were tied with large bows of pink satin ribbon corresponding to the color of the roses. On the piano and bookcases were strewn asparagus ferns, and elsewhere in the room were baskets and vases of pink asters and ferns, and in one corner was a large basket of fern leaves the basket handle also being tied with pink ribbon. The lights were soft-shaded in pink, and asparagus ferns festooned the chandelier.

Shortly after the ceremony, covers were laid for the wedding company

numbering fourteen in all, in the private dining room of the Gardner, where all were seated at a round table. An electric lamp shaded in green formed the centerpiece, and over it trailed soft sprays of ferns. Green and pink were also the predominating colors in the dining room ferns being strewn over the table, and streamers of pink tulle from the chandelier ending in large bows on the table. Between these bows stood small vases of Ophelia roses. The bride's chair was designated by a bow of pink satin ribbon, and baskets of ferns in the corners of the room added to the pretty effect. A five course lunch was served. The nut baskets were tied with pink and the place cards were in the design of a bridal wreath, tied with tiny bows of pink ribbon.

Dr. and Mrs. Benson left Tuesday afternoon for the twin cities, where they will visit briefly with a brother of the former, and their wedding trip of several weeks will include visits at Toledo, Ia., with Dr. Benson's parents; at Des Moines, Iowa, with other relatives of the bridegroom; also in Chicago, and with an aunt of the bride in Milwaukee.

At the conclusion of their trip Dr. and Mrs. Benson will go to Hannaford which is to be their place of residence, and where Dr. Benson has been practicing for several years. He is a well known and very popular physician of that town and its vicinity, and is a graduate of the University of Minnesota. The bride, whose former home was at Fessenden, N. D., was a graduate of St. John's hospital with the class of 1913, following three years' training there, and since her graduation has become one of the most efficient and popular nurses of that hospital staff, making a host of friends here who will regret that she is to make her future home elsewhere.—Fargo Forum.

MONEY

At Less Than Six Percent

If you want a loan on your farm, or renew the one you have, or expect to get one in the near future, write us immediately. Our plan will make your interest less than 6 per cent. No Commissions. No Costs. No waiting. You can get your money immediately. Box 134, Fargo, N. D.

Bad Colds from Little Snuzzes Grow

Many colds that hang on all winter start with a sneeze, a sniffle, a sore throat, a tight chest. You know the symptoms of colds, and you know prompt treatment will break them up. Dr. King's New Discovery, with its soothing antiseptic balsams, has been breaking up colds and healing coughs of young and old for 47 years. Dr. King's New Discovery loosens the phlegm, clears the head, soothes the irritated membrane and makes breathing easier. At your druggist, 50c.
