## Had Leg Broken

While driving to his home at Cooperstown from Binford, Wednesday night, Clarence Berg, son of Mr. and Mrs. Lewis Berg, was running a Ford runabout at the rate of thirty miles an hour when he ran over a dog, a mile and a half east of Jessie, upsetting the car. The boy's left leg was broken above the knee, besides being badly torn by a bolt. Dr. Brimi and the boy's parents were called from Cooperstown and Thursday morning he was removed to his home being taken down on the freight. Dr. Collins of Fargo was called and attended to the boy. Clarence has many friends who hope for him a speedy recovery.—Binford Times.
