

The picnic at Lake Willow Sunday
in honor of the newly drafted soldiers of Griggs county was attended by a crowd that came up to all expectations as to size. The weather and roads were both in excellent condition and auto-loads of people from all corners of the county were on hand. The chief speaker of the day was Melvin Hildreth of Fargo, and a short speech was given by Rev. Hov-erstad of Philadelphia. Band music was heard all day, and in the evening motion pictures of actual war scenes were presented. The grounds were splendidly illuminated by electric lights, and the whole event was a success in every respect.
