

The Commencement Exercises for the High School were held in Jackson's Hall Wednesday night before a filled house. The Hall was decorated with Pink and White, Class Colors, and domestic and cut flowers. The program was begun by the High School Girls' Chorus, with the number "School Days Are Past." The Invocation was rendered by Rev. J. C. Wilson of the Presbyterian Church. Prof. Koch of the University of North Dakota gave the Commencement Address on "The Vision of Youth," which was very fine, indeed. "The New Rural School" by Erma Gladys Armstrong was nicely given, as was also the oration on "Woodrow Wilson" by Minnie Carolyn Anderson. Both Seniors made a good showing and were awarded their High School diplomas and scholarships by Mr. Robbins. The High School Girls closed the excellent program by singing "Your Journey" by Parks.

Minnie Anderson, Class 1917, begins her first term of school June 11th in the Bartley District. The best wishes of all go with her.

The Domestic Art, Drawing and Manual Training Classes made a very creditable exhibit at the Ladies Hall on Wednesday and Tuesday evenings.

The teachers have gone to their several homes for their summer vacation. The lower teachers will return but the High School faculty will be wholly new, Miss Ayrea will not teach and Mr. Robbins becomes Superintendent at Courtenay, N. D.
