

# Commencement

The Commencement Exercises took place in Jackson's Hall on Friday evening. The hall had been prettily decorated with plants and flowers by the Junior Class. The High School Class was small, comprising only two in number, Esther Pederson and Julius Aarestad. There were six who received certificates of completion from the eighth grade, Mildred Dunnum, Dorothy Schmidt, Arthur Forthun, Lyle Judge, Ralph Knauss and Oliver Thoreson.

The graduates were seated on the stage together with Mr. Coddling, Mr. Wemett, the speaker of the evening and Mr. Jackson. The first number on the program was a chorus Carmen, with orchestra accompaniment. Mr. Wemett's address was interesting and contained much good advice to the graduates and others. The last number of the program was a splendidly rendered violin duet by Mr. Coddling and Mr. Lunde. The diplomas were presented by Mr. Jackson, the retiring president of the Board.
