

There were no eighth grade exercises this year but the class received their diplomas at Cooperstown on the evening of Play Day. All the classes in the county were there except from Binford. There were fifty-four in all. A pleasing program was rendered, the address of the evening being given by Dr. E. P. Robertson of Wesley College, Grand Forks. He also presented the diplomas. The following from Hannaford received diplomas: Wilmer Wilson, Harry Richardson, Custer Stafney, Ione Johnson, Phyllis Schmidt, Andina Kalland and Hazel Peterson.
