The members of the Adelphi Literary Society wish to express their appreciation for the fine support which the citizens of Hannaford and the surrounding country gave to the basket social last Friday evening. The society netted \$77.50 above all expenses. This will insure the placing of a piano in our assembly room and make a substantial addition to our growing library. Everyone had a good time and as many have put it, the basket social was "a grand success."

The third year students of the High School have arranged to meet the Dazey High School in debate on April 14. The debate will take place in Hannaford and the home team will uphold the negative side of the question, Resolved that the United States should place an embargo on the shipment of arms and munitions to belligerent nations in time of war.
