The debate by the American History class on presidential candidates was of more than passing interest. Bertha Wilson, Helen Anderson and Julia Forthun spoke for President Wilson; Anna Annudson, Selmer Aarestad and Edna Thoreson spoke for Chas. E. Hughes. An instrumental solo and duet by Mildred Dunnum and Alice Angus completed the program. The straw vote was 23-24 in favor of President Wilson.

The Hallowe'n Carnival was a success in every way. A large amount of credit is due the children for their hearty co-operation in carrying out the several features and also to the excellent committee work. The community should be credited with a willingness to patronize, and the piano fund is credited with a profit of \$25.05. The expenses were \$17.30.

Monthly examinations were held for the second month on Thursday and Friday. Report cards will be out as usual on next Tuesday. Parents are asked to not only sign but look them over carefully.
